(Son)

Duydum ki unutmuşsun gözlerimin rengini
Yazık olmuş o gözlerden sana akan yaşlara
Bir zamanlar sevginle ateşlenen başımı
Dizlerinin yerine dayasaydım taşlara

Hani bendim yedi renk hani tende can idim
Hani gündüz hayalin geceler rüyan idim
Demek ki senin için aşk deil yalan idim
Acırım heder olan o en güzel yıllara
